[SINGAPORE 10 JULY 2020] - The face of travel has seen a drastic change. This may be the new normal, but it doesn't need to change how you enjoy your holiday. En voyage with Sofitel Sentosa, without having to travel far to experience the resort life, with the confidence that your safety is taken care of. New steps have been designed along with enhanced safety and health measures to protect your well-being while continuing to provide you with the kind of hospitality you can expect from Sofitel.

We are delighted to announce that after a short break, Sofitel Singapore Sentosa Resort & Spa has been certified by Singapore Tourism Board and Ministry of Trade & Industry to receive stays for local residents regarding leisure purposes. As an SG Clean certified hotel, we ensure the safety and wellbeing of our guests with stringent cleaning standards and operational protocols aligned with the Safe Management Measures mandated by local authorities.

Enhanced Safety Management Measures

Welcoming, safeguarding and taking care of others is at the very heart of what we do and who we are. To ensure guest safety as we reopen, we have elevated our current safety management measures to deliver high standards of hygiene including some of the most stringent cleaning standards and operational protocols in the world of hospitality. These new standards will include a reinforced cleaning programme with frequent disinfection of all high-touch public areas like elevators and public restrooms, an enhanced

in-room cleaning programme using hospital grade cleaning materials, new standards to ensure social distancing measures throughout the hotel and medical support should any of our guests feel unwell.

Find out more about the safety measures taken at all areas within the resort in our Annex.
